

TRACY & MIA'S LAST **L**word Party Ever

Drinking Game

Featuring our exclusive cocktail: Tom Cruise Running

Drink if Bette makes "art face"

If someone does something completely inconsistent with their character roll your eyes and drink.

Drink every time Kit says "Girrrrrr!..."

Drink every time there's a sex scene that could practically be shown on Nickelodeon.

Drink if Dana's ghost makes an appearance.

Drink if anyone remembers they had a friend named Dana.

Drink if a random old character makes an appearance (Lisa the lesbian man, the roommate guy with the video camera, Carmen, etc.)

Drink if a scene is shot through something blocking the camera (bead curtain, distorted glass, Shane's hair, etc.).

Drink if you actually see Angelica with a caregiver.

If they can possibly manage to further fuck up Max's storyline drink then write a letter to the National Center for Transgender Equality

Drink if find yourself so bored by a storyline you look at the clock.

Drink to forget if Shane & Jenny do it.

Drink if a new set of random characters with no chemistry hook up.

Drink if a character starts a random new career completely unrelated to anything they have done before.

If Jenny Dies toast "cheers" and drink.
